

2018 ANNUAL FUND

We have reached a major milestone in the journey of the Village School.

This beautiful new building embraces children and facilitates learning, now and for the future.

Thank you again to everyone who made this possible.

What's the next big step?

financial Sustainability

- Financial Aid comes directly from the Operating budget. The over **\$110,000 (wow!)** awarded in Financial Aid this year helps families attend the school, yet at the same time constrains the school's financial health.
- Let's **keep our doors wide open** to families from all backgrounds and finances. We can't afford to keep those doors open without your help.
- Your donation will **help the school to continue to thrive** and continue to serve all families.

We are so happy in our new home!

**Will you help strengthen the school now
*and into the future?***

Yes, it takes a community. Let's keep the (new!) doors of the Village School open for many families for years to come.

Thank you for your essential support to the Annual Fund.

From all of us at the Village School
