

ROOTS & SPROUTS

a Parent/Child group for
infants & toddlers up to age 3

Come gather with other parents & their young children in the lovely Village School Preschool classroom; deepen your connection with your child through fun activities, meet experienced teachers, celebrate the seasons & play outside.

Activities include:

- Play
- Sharing
- Singing, movement & art
- Socializing with other parents
- Building parent/child relationships
- Learning about child development
- Eating healthy snacks
- **Drop-ins welcome**
- **FREE!**

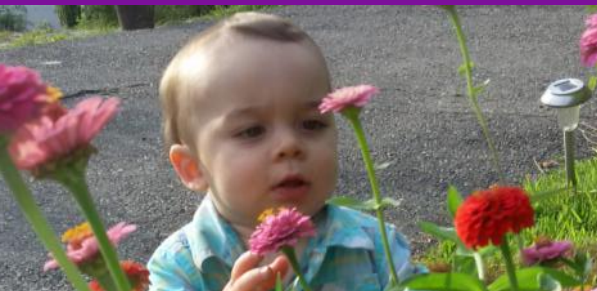

A message from facilitator Brooke Coleman:

"I'm excited to share my love of nature, with you and your children in the lovely preschool classroom setting. I've worked in family literacy, education, and I'm a midwife and nurse. I love witnessing the emerging movement, creativity, and expression of the little ones. We all benefit when we get together. And this year Gail Chaffee joins us - she is a longtime nurse and lactation specialist in the local area."
