

Quick Info List for Parents

Use of Building

- 2nd -6th parents do not enter building or classrooms, they escort their children to the exterior classroom door.
- To visit the office, parents use playground entrance
- Preschool-1st parents can escort their children to their cubbies, maintaining a 6 ft. distance.
- All children, except preschool children, use the outdoor entrances to the classroom.
- Shoes and boots are removed before entering the classroom
- Only preschool parents and children use the front, driveway entrance.
- At 3:30 dismissal, parents wait for children at parking lot line. Children will be sent to parents.

Masks

- Everyone, parents and all children, wear masks when in the building
- All children have 2 washed, clean masks with them, daily
- Children should have a lanyard or other system (barret?) so mask can hang from neck (and tuck inside shirt) when not wearing
- K-6th children wear masks in the classroom, with frequent mask breaks outside
- Preschool children do not wear masks when outside, but they do wear masks when in the building

Other Items

- All K-6th parents provide an approximately 6x2 mat that the children can use to sit on, outdoors for snack and lunch. Ideally, its waterproof.
- All children have water bottles at school with their name on them
- Every family has a computer (Ipad is not enough) at home for at-home learning. Every family has a gmail account for easy access to classroom websites. Gmail accts are free.
