

Parent Group Meeting Notes

Meeting Date 05/10/2022

Pancake Breakfast and Auction –

- Signage for event – Jane reviewed what we have and we have 22 lawn signs that say “This Saturday” and 8 lawn signs that list a specific date. Kate F. is having some new signs made that include that date.
- Marissa to resend donation request forms. Parents can now complete the form in Google docs, complete a paper form sent home with their child or pick up a form outside the main office. We would like to get commitment from parents as soon as possible.
- Lucy M. is able to secure 2 Red Sox Tickets for us for the raffle this year. She also is happy to help with design and set up of the pop-up cards. She indicated it would be helpful if someone has a color printer to print them as often these donations continue to come in right up through the night before the event. Additionally, she has offered to help out with face painting the day of the event.
- We need some flyers printed up and set out for people to take and hang up in their local communities.
- Need an event created on the Village School Facebook page. Marissa M. to do.
- Parent commitment has been slow. Notices to be resent to parents using Google forms for easier access
- Stacey K. has offered to follow up with any parents in the K class who have not submitted there donation sheet.
- Rise is waiting to here if there will be a volunteer for the police detail (and if Royalston PD will permit it).
- We need to find someone who would like to take charge of organizing the yard sale.

** As a reminder -if parents are looking for Auction Items, a good place to look is Trailhead in Orange, MA. They also offer a 20% discount to Village School Parents and Staff. Thank you Stephanie C! Also Amazon wish list:
