

BIODIVERSITY WEEK RESULTS 2023

38 Trees and shrubs

Red oak	Hobblebush
White oak	Mountain laurel
Sugar maple	Cranberry
Red maple	Barberry
Stripped maple	Raspberry
Hemlock	Highbush blueberry
White pine	Lowbush blueberry
Red pine	Common juniper
White ash	Sheep laurel
Canadian yew	Common buckthorn
Balsam	Mountain elderberry
Larch	Forsythia
White birch	Apple
Yellow birch	Canada yew
River/black birch	Witch hazel
Grey birch	Poplar
American beech	Muscle wood
Black cherry	Maleberry
Fire/pin cherry	Japanese knotweed

61 Other plants

Green algae (2 types)	Gold thread
Diatoms	Sessile bellwort
Submergent aquatic vegetation	Sedge
Duck weed	Solomon's seal
British soldier lichen	Nettle
Old man's beard lichen	Trillium
Other lichens (3 types)	Skunk cabbage
Star moss	Ghost pipe
Peat moss (sphagnum)	Indian cucumber
Aquatic moss	Watercress
Other moss (6 types)	Horse tail
Cinnamon fern	Dwarf ginseng
Christmas fern	Clover
Rock polypody fern	Fringed polygala
Ostrich fern	Grass (3 types)
Bracken fern	Wintergreen/Checkerberry
Sensitive fern	Wood anemone
Club moss	Cattail
Hay scented fern	Wild strawberry
Princess pine	Poison ivy
Staghorn club moss	Lamb's ear
Sorrel	Sarsaparilla
Wild lily of the valley/Canada mayflower	Star flower
Dandelion	Violet
Twinberry/partridge berry	Goldenrod

8 Fungi

Shelf mushroom	Yellow mold
Puff ball	Turkey tail bracket fungus
White bracket fungus	Yellow fungus
Blue wood fungus	Witches broom

74 Invertebrates

Blackflies	Earthworm
Mosquito	Hemlock wooly adelgid
Grub	Amphipods
Honey bee.	Damselfly nymph
Bumblebee	Crane fly larva
Wasp	Crayfish
Slug	Biting midge
Copepod	Caddisflies larvae (6 types)
Daphnia	Dragonfly nymphs (4 types)
Small diving beetle	Midges (3 types)
Predacious diving beetle	Phantom midge
Water scorpion.	Aquatic worms (2 types)
Black and white spider	Giant water bug
Wolf spider	Water boatman
Jumping spider	Snail
Black spider	Whirligig beetles
Red spider	Back swimmers
Water spider	Leech
Ladybug	Water strider
Carpenter ants	Megalopteran/fish fly
Earwig	Stoneflies nymphs (3 types)
Stink bug	Mayflies nymphs (5 types)
Black ants	Small black beetle
Pill bug	Spring tail
Red ants	Centipede
Ground beetle	Millepede
Dog tick	Brown beetle
Very small fly	Click beetle
Black housefly	

10 Birds

Blue jay	Warbler	
Hawk	Oven bird nest?	
Piliated Woodpecker sign	Robin	Red
winged blackbird	Crow	
Turkey	Yellow and black feather	

9 Amphibians

Spring peeper	Wood frog eggs and tadpoles
Bull frog tadpoles	Blue spotted salamander eggs?
Green frog	Newts/red efts
Red backed salamander	Two lined salamander larvae
Tree frog trill	

9 Mammals

Grey squirrel	Chipmunk
Red squirrel	Beaver sign
Deer scat and tracks	Human
Coyote scat?	Rabbit fur?
Black bear scat?
